Mr. Joseph Worthing
Executive Director, Project Moses
115 North 36th Street
Omaha, NE 68131

Dear Mr. Worthing,

It is a pleasure for me to express support for "Project Moses". Efforts to maintain remembrance of the Ten Commandments in public places are a service to our society. Pope Benedict XVI has spoken of the Decalogue as "a privileged expression of the natural law". In its turn, the natural law is bedrock to any democratic form of government and to a just and tranquil society.

Thank you for this important work. May the Lord bless you as well as the many Knights of Columbus who volunteer efforts are helping to advance "Project Moses".

With prayerful best wishes, I am

Faithfully in Christ,

Most Reverend William E. Lori
Bishop of Bridgeport
